
Important Notes

Enrollment **MUST** be for the entire summer session. Discounts will not be given for vacations or missed school days. Your child may make up their skills classes after they miss, but not the school day. Please see the back of this brochure for information about drop-in status.

For more information and to enroll your child, please stop by the front desk to pick up an enrollment packet.

We look forward to spending the summer with your children!!

Drop-In Days

New for 2010!!

We know that many families cannot commit to enrolling for the entire summer, so this year we will be offering drop-in days on **Fridays only**. The cost will be \$30 per day, and will not include any skills classes. Extended care is available for an additional \$15 per day.

Drop-in days **MUST** be arranged in advance, and all required paperwork must be on file before your child may attend. Arrangements can be made through the front office or by speaking with Amy through amy@acrosports.com.

Enrolled students may also do drop-in days if desired, also on Fridays for the same price.

AcroKids Academy Summer Camp 2010

June 7th-August 20th

AcroKids Academy is a truly unique summer camp program. We serve children from 2.5 to 10 years old with a theme-based curriculum that includes arts & crafts, games, and much more. Parents decide how many days they want their child to attend, and can also choose from 4 different skills classes to enhance their summer fun: gymnastics, swimming, karate, and Kindermusik. The regular school day is 9:00am-2:00pm, with extended care available 7:00am-6:00pm. We have options to meet the needs of every family and every budget. To determine what your child's monthly tuition will be, simply figure out how many days each week you'd like your child to come to school and find the base tuition on the chart. Then add in what skills classes you'd like and whether or not you need extended care. That's it!

Toddlers- 2.5 to 3 yrs (as of June 1)

Preschool- 3 to 4 yrs (as of June 1)
